BENTLEY

PRESENTING

**YOUR BENTLEY
BENTAYGA AZURE V8**

White Satin - by Mulliner

White Satin – introduced with the Continental Supersports Convertible – is a contemporary colour choice thanks to its distinctive matt finish and subtle metallic undertone. It offers strong contrast to darker grill and wheel finishes.

YOUR INTERIOR

Interior Colour Split - B in Hotspur and Beluga

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Piano Black

A deep, mirror-like black finish applied to fine Walnut veneer, Piano Black is reminiscent of the impressive grand piano. A lustrous jewel finish, the deep colour compliments and reflects the elaborate detail of your Bentley. Hand finished and highly technical Piano Black is the ultimate statement of modernism.

YOUR WHEELS

22" Ten Spoke Wheel - Black Painted and Bright Machined

Striking and elegant 22" black painted and bright machined directional wheel, exclusive to Azure

ENZAFXV

The Bentley Commissioning Code allows you to retrieve your configuration at a later time. Simply select Retrieve from the menu and enter your Code to continue your commissioning experience.

Accessories †

Please note, additional fitting fees and local taxes may apply. Please consult your local Retailer for final fitted prices which must then be added to the final price of the vehicle. Some features may not be available in all markets, please contact your retailer for availability.

WLTP

All vehicles are tested according to WLTP technical procedures. Figures shown are for comparability purposes; only compare fuel consumption, CO2 and equivalent electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles, vehicle load.
