ACCESSORIES

EXTERIOR ACCESSORIES**£4,200**

Deployable Side Step Kit, LWB, 5 Seat

These smart, practical deployable side steps aid entry into and exit from the vehicle, as well as assisting access to the roof. Each side step features a brushed stainless steel finish, with laser etched Range Rover branding embossed into the black moulded rubber treadplate mat, and a black edged trim finish. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The deployable side steps are sensitive to obstructions and will not deploy in off-road or low range settings. Automatic mode can be overridden to allow access to the roof when the doors are closed.

Important note on imagery & specification

The global shortage of semiconductors is currently affecting vehicle build specifications, option availability, and build timings. This is a very dynamic situation, and as a result imagery used within the website at present may not fully reflect current specifications for features, options, trim and colour schemes.

Please consult your Retailer who will be able to confirm any current restrictions with you in order to allow an informed choice.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years.

**Estimated lead time for deliveries. The information is our best advice at the time of publishing and is subject to change. Please contact your Retailer for the latest information.
